

Digital Movies, Music and More – Instantly Available – 24/7 – Free with your Library Card!

We hope this message finds you well. Thank you for being a loyal library cardholder of Westchester Library System! We appreciate that you have found value in the many materials, services and programs we offer our community, and we wanted to let you know that you are appreciated!

We are excited to announce hoopla digital: a new digital media service provided to you, our patron, through which you may access and enjoy nearly half a million titles, from six different formats: **Movies, TV, Music Albums, eAudiobooks, eBooks, and Comics/Graphic Novels**. All in one location, from your computer, tablet or Smartphone!

With hoopla, there are no hold lists, no extra apps or accounts needed or special steps to use it.

It just works!

On a mobile device, borrowed content may be temporarily downloaded and accessed offline or, in either the app or on a computer, all borrowed content may be enjoyed while connected to the internet by streaming.

We really love this service. It is easy to use and provides our library patrons instant access (again, with no waiting!!) to any titles they want. As a library cardholder, you may borrow up to 5 titles per month.

To register for and enjoy hoopla digital for free with your library card, please download the hoopla digital app from your Apple or Google Play store on your mobile device. If you are using a computer, you may visit <https://www.hoopladigital.com/home>. For more information or should you have questions, please visit or call us or see more details on our website!

Thanks again for your patronage and support over the years! We hope you enjoy hoopla digital and look forward to your feedback!
