Tutor was excellent, helping me gain ideas for my paper while enabling me to get ideas of my own.	10th
Tutor was extremely helpful. When I was unsure of anything, she went above and beyond in making sure I had an idea of what to do. She explained everything clearly, in a way that I definitely understood. Also was extremely patient whenever I did not understand anything. Definitely recommend her for others who struggle in writing their essays, for she guided me well in writing parts of my essay without doing the work for me.	10th
Tutor was very helpful, guiding me step by step with examples. Definitely recommend this service, as well as the tutor himself for chemistry problems!	10th
