

WLS Statistics Dashboard

The WLS statistics dashboard allows easy access to library statistical data. Data is available from Comics Plus, Evergreen ILS, Kanopy, OverDrive, and Unify wireless networks. Access to other digital resource statistics will be added as they are available from vendors.

Evergreen ILS Statistics - Intraloans
Intraloans data in interactive tabular and graphical display. >

Evergreen ILS Statistics - Monthly Circ
Circulation data in interactive tabular and graphical displays. >

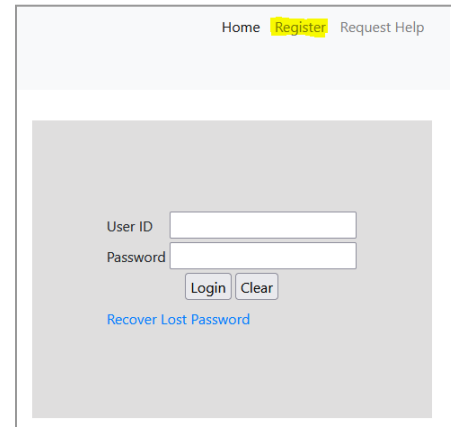

Evergreen ILS Statistics - Patrons
Patrons data in interactive tabular and graphical displays. >

WiFi Statistics
Includes daily users, data usage, and device data in interactive tabular and graphical displays. Please note that users returning multiple times in a day are only counted once per day. >

Learn More: Other WLS statistics and additional information about the Statistics Dashboard is available in the [IT Wiki Statistics](#) . View and register for WLS Training opportunities in the [WLS Evanced Calendar](#) .

First Access

Go to the WLS Statistics Dashboard at <https://evolytix.com/wls/>
Go to *Register* to set up an account. For security purposes, WLS approves all accounts. You will receive an email when your account has been approved.

Ongoing Access

Go to <https://evolytix.com/wls/>
Enter your username and password and log in
The welcome screen displays information about what's available and how to get help.
Use the links at the left to retrieve statistics by platform.

Dashboards display library's data by default. As available from each vendor, data can be

- Filtered by library, data type, and date range
- Exported to Excel
