EXPLANATORY NOTES

WLS Member Library Statistics 2017 are based on the *Annual Reports for Public & Association Libraries - 2017* submitted to New York State. Financial figures on the *Annual Report* are on a cash basis for the operating fund.

Libraries reporting for fiscal years beginning in either June or July are marked with an asterisk (*). All unmarked libraries report on the calendar year.

Westchester averages are determined by dividing the total for that category by the number of libraries (i.e. 38). Total-based averages are determined by dividing the totals themselves. Rankings are based on numbers which have not yet been rounded to 1 or 2 decimal places.

Please note that unusual variations in the statistics may be a result of construction projects, temporary closings, or other conditions. Please refer to the *Note of Unusual Circumstances*.

Listed below are the categories from the *Annual Report* that were used for these statistics. If the category name differs on these statistics from the *Annual Report*, the *Annual Report* name is shown in brackets:

Note of Unusual Circumstances for 2017

All Libraries: Since 2016, NYS Library Division of Library Development (DLD) only counted circulation for certain types of electronic materials that have a limited period of use and also counted these materials as individual titles. Other Electronic Collection (database) usage without a circulation period is considered as Successful Retrieval of Electronic Information, which is now reported separately, and the items are still counted as one Electronic Collection (database). This mainly affected Freeding and Hoopla services.

Briarcliff Manor Public Library: Renovation of the adjoining community center required the library's reading room to be closed from June 2016-December 2016.

Bronxville Public Library: There was a major FEMA project that affected access to the library building from June 2016 to May of 2017. Additionally, the library parking lot was closed for 6 weeks due to street collapse.

Eastchester Public Library: Existing lighting on both floors of the library was replaced with LED lighting. Although the library did not close for the entire project, public areas of the building were unavailable to the public for short periods of time.

Greenburgh Public Library: As part of a make-over of the children's area, both children's fiction and non-fiction collections were heavily weeded. There was also a heavy weeding done in the adult non-fiction collection.

Harrison Public Library: Massive weeding of collection.

Hastings-on-Hudson Public Library: The Children's Librarian position was vacant for 3 months.

Larchmont Public Library: The library underwent an extensive renovation in 2016 and was operating out of a temporary space for the first 4 months of this reporting period. The majority of the library's collection was not available during that time and services were limited. Significant weeding was done prior to moving the collection back into the renovated facility.

Hendrick Hudson Free Library (Montrose): Children's Room renovation beginning October 2016 and ending in November 2017 required taking a portion of the children's collection out of circulation.

North Castle Public Library (Armonk): The library was down 3 staff members for the latter half of the year. Extensive weeding was done to consolidate collection to one location. There was increased spending in materials to encourage circulation growth.

Town of Pelham Public Library: Con Edison was working on a gas line project on the streets on both sides of the library's parking lot. Many days, adjacent street(s) were closed as were either our entrance or exit or both. Many days patrons could not easily access the library since access to our parking lot was blocked since streets were closed and nearby parking severely curtailed. In addition, December was unusually cold. This work was ongoing all of November and December 2017.

Scarsdale Public Library: The library will be undergoing a major renovation in the next 2 years, so massive weeding began last year.

Somers Library: Our main, upstairs bathrooms and side entrance were closed for renovation for several months. This severely limited outside group usage and programming.

Warner Library (Tarrytown): Library event space was closed for 4 months with large construction vehicles blocking parking. This impacted some attendance numbers at the library.

White Plains Public Library: Partial closing for renovations.
