Really nice person	11th
very quick and helpful session	11th
I have relied on this service for over three years now. I remember when the hours were longer and really wish they were as many busy students are not able to start homework until late due to other meetings, sports, and commitments. I am very grateful for this service and it makes a huge difference in making homework help more equitable for all students and learners. Thank you.	College - Intro
excellent feedback, better than I've gotten in years. definitely taking the notes that was given and putting that towards my new resume. also Jennie looked at my resume and reassured me that I have great qualities and to not settle for entry level work.	Adult
I liked the feedback about my cover letter.	Adult
The tutor's feedback was very informative and helpful.	Adult
