You are super nice James s	3rd
andres was very thorough and helpul and drew the physics with me	9th
Dario is great. please have algo link me to him too in the future. he did 4 probelms in about 30 minutes and i understand it now.	9th
fernando is amazing. please add his name to mine in the algo.	9th
Harmandeep k is the best physics tutor on earth. He had so much patience and caught all my mistakes - big or small. He really helped me understand the material in a way I could not have on my own. He's excellent. I hope I am always paired with him for physics when he is free.	9th
he was super helpful and clear. what i liekd was he explained it qualitatively first.	9th
lalit C is EXCELLENT. He is a fantastic physics tutor with tremendous patience. He made the works so much easier!!!!	9th
Mohd is a great tutor. the tutor before him couldnt even do the problem. Mohd is an expert and great teacher.	9th

shaine is great .if you have a matching algo, please match him to me more often.	9th
She was quick as i asked for and she broke it down into super simple ideas and steps. My only wish is that sessions could last longer. we did one qeustion in 17 min. i have to login wiht someone else for my next question and the isuse is if that person isnt good or takes a while. once i find a good tutor wish i could stay wiht them!	9th
super helpful and explained conservation o angular momenntum really well. i clearly didnt understand it properly before he helped me.	9th
The document didnt load for him which took some time then to explian what i needed	9th
he was excellent!!!!	10th
He was really quick to respond which is great. I used to use brainfuse through school and they are so slow to respond and dont offer anatomy like you have here. If you can add enegineering for the westchester library system offering, I would be grateful!	College - Intro
