WLS Statistics Dashboard

The WLS statistics dashboard allows easy access to library statistical data. Data is available from Comics Plus, Evergreen ILS, Kanopy, OverDrive, and Unify wireless networks. Access to other digital resource statistics will be added as they are available from vendors.

First Access

Go to the WLS Statistics Dashboard at <u>https://evolytixapps.com/wls/</u> Go to *Register* to set up an account. For security purposes, WLS approves all accounts. You will receive an email when your account has been approved with instructions for signing in.

Ongoing Access

Go to https://evolytixapps.com/wls/

Enter your username and password and log in

The welcome screen displays data visualizations of your library's key statistics. Use the links at the left to retrieve statistics by platform.

Dashboards display the library's data by default. As available from each vendor, data can be

- Filtered by library, data type, and date range
- Exported to Excel
